

The Ninety-Nines

Minnesota 99s Chapter Scholarship Award

The Minnesota Chapter of the Ninety-Nines offers two \$1,000 flight training scholarships and two \$500 currency scholarships to qualifying applicants. Scholarships are awarded annually in March as long as funds are available. One \$1,000 scholarship is awarded for course work toward a Private Pilot certificate and the second \$1,000 scholarship is awarded for an additional rating or endorsement. Two \$500 currency scholarships are awarded to become current in flying and are offered in memory of WWII WASP Elizabeth (Liz) Strohfus.

The purpose of these scholarships is to encourage women pilots, promote aviation within the surrounding community, and provide networking opportunities for women. These scholarships are awarded to assist women working to become a certificated private pilot, to earn a higher rating or certificate or become current. Scholarships can be applied to flight training only (instruction, aircraft fuel, aircraft rental).
