

FLY FOR A WORTHY CAUSE!

HOLIDAY TREE OF HOPE SUMMER TOY DRIVE!

August 6-31, 2021 **CHRISTMAS IN AUGUST!**

For 30 years, Holiday Tree of Hope has been collecting toys for children who are hospitalized during the holidays. We have served over 40 hospitals, shelters, and Ronald McDonald house each year, bringing smiles to children and families who are dealing with trying times.

This year we are hoping to get a jump start on the project with a **Christmas in August fly out project**. Pilots and the general public can drop off toys to any of the following airports between **August 6-31, 2021**.

Age groups for Donations: Infant,* Toddler, Preschool, Grade School, Pre-Teen and Teens*

***Toys for all age groups are accepted, however we have the biggest need for infants and teenagers!**

- KANE Anoka County Blaine-Janes Field (Lynx FBO) (Fuel discount offered for donation)
- K21D Lake Elmo (Lake Elmo Aero)
- KSTC St. Cloud Regional (FBO)
- KAXN Alexandria-Chandler Field (FBO)(Fuel discount offered for donation)
- KFBL Faribault Municipal-Liz Wall Strohfus Field (FBO)
- KBRD Brainerd Lakes Regional (NorthPoint Aviation)
- KROS Rush City Regional (Hawk Aviation)

Plan your summer cross country flights to include a flight to one of more of these airports. Drop a toy or two, borrow the courtesy car, visit a local restaurant, and help make your day, and a child's Christmas a happy one!
